Pre-CRB Check

Everyone who participates in Triathlon is entitled to participate in a safe and fun environment and to be given the chance to experience the feelings of enjoyment, challenge and achievement that are inherent to the sport. To ensure this, British Triathlon is committed to devising and implementing policies and procedures to ensure all those involved comply with the British Triathlon Safeguarding and Protecting Children Policy.

Part of British Triathlon's commitment to safeguarding and protecting children and vulnerable adults is CRB checking every individual who has direct contact. A Child is anyone under the age of 18.

In line with the Exceptions Order to the Rehabilitation of Offender's Act 1974 we can only check members of the organisation who have direct contact with children. Direct contact could be in a number of ways and although the list below is not exhaustive it is a guide to the kind of individual who should be checked.

- People who coach children regularly (*more than 3 times a year*)
- Club Secretary
- Club Chairman
- Club Treasurer
- Club Webmaster
- Club press/PR Officer
- Race Organiser
- Club Equity Officer
- Club Welfare Officer
- Helper at a training session (*more than 3 times a year*)

Please complete the form attached - if you fall into any of these categories and have direct contact with children who are not your own in Triathlon we will then proceed with the CRB application process.

Please complete the following declaration and return to us as soon as possible:

(Please tick those which are applicable)

I **DO** have direct contact with children

I **DO NOT** have direct contact with children

I **DO** have direct contact with vulnerable adults

I **DO NOT** have direct contact with vulnerable adults

*If you do not currently have direct contact with children or vulnerable adults in Triathlon who are not your own but may do so in the future **it is your responsibility to inform us** and we will send the necessary forms to you.*
